Environmental Policy

Introduction

Enterprise England is aware that its activities and the services it provides, either directly or indirectly via its third party suppliers, contractors etc., may have an impact on the environment, so it needs to understand the environmental impacts of its activities and seek to minimise the impacts where possible.

To meet the Policy, the overall aim of **Enterprise England** is to reduce the impacts associated with day-to-day operations while complying with applicable environmental legislation, accepted best practice and the need to maintain value for money in all that we do and procure.

Scope

The policy applies to all employees directly employed by **Enterprise England**, and to workers employed via agencies, contractors and Trustees.

Enterprise England is a registered charity providing business office accommodation and support services to start-ups and early stage businesses, charities, social enterprises and entrepreneurs.

Policy

Enterprise England is committed to protecting the environment of the earth.

To minimise environmental impacts concerning our activities, products and services, we shall:-

- Comply with applicable legislation and other applicable requirements.
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.

Enterprise England is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and be available for the public.
